

Do you have a fever higher than 100.4 degrees?

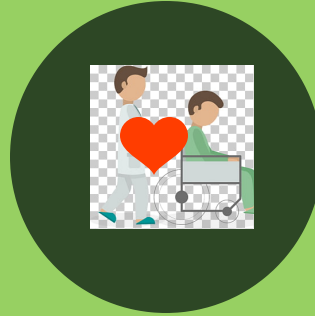

Are you coughing?

Do you have shortness of breath?

Have you been in contact with someone who has COVID-19?

Are you caring for others that have COVID-19?

DO I NEED TO GET TESTED FOR COVID-19?

IF YOU CHOOSE YES:

- Please stay home and separate yourself from other people in the home as much as possible if your symptoms are very mild.
- Please call your health care provider or local health department.
- If your symptoms get worse and you can not see your health care provider, call your local Emergency Room or call 911.

IF YOU CHOOSE NO:

- Please stay and separate yourself from other people in the home as much as possible.
- Wash your hands for at least 20 seconds with soap and water.
- Use hand sanitizer if you can not wash your hands.
