All the Information You Need with One Phone Call

The Foundation to a Smart Start

Early Care & Education

High quality care makes a difference

- We provide families options for choosing high quality child care.
- We provide families with financial options to pay for high quality child care and pre-kindergarten services

Health

Health and development on track beginning before birth.

- We provide resources for health, nutrition and physical activity
- We partner with doctors to provide free books at check-ups

Families & Communities

Engaged families & coordinated communities

- We provide free parenting resources and information
- We provide playgroups, parenting classes and support groups

Ready Schools

Effective teaching and learning for K-3 students, 365 days a year

- We provide summer and after school resources for families
- We open doors for families to be involved in their child's school
