Training Rules: PLEASE READ!

- ❖ Please have your registration and payment for trainings in at least **ONE WEEK** prior to the date of the actual training in order to make sure you are registered.
- ❖ Providers must complete all **PRE-ZOOM SURVEYS** requested by the trainer prior to the date of the training. You will not receive the **ZOOM** link if you do not complete all the surveys prior to the date of the training.
 - ❖ Please complete all **ZOOM REGISTRATIONS**.
- ❖ Your **CAMERA** must be on throughout the training in order to verify that you are participating.
 - ❖ All providers should actively participate in the training.
- ❖ Participants must make sure that they are muted to avoid any background noises during the trainings and unmuted for group or individual oral response.
- ❖ Complete all **POST-SURVEYS** and **EVALUATIONS** at the end of the trainings. All information should be found in the chat box. If not completed, you will not receive a certificate.
- ❖ We will no longer transfer monies to another class if you don't attend the class that you registered for. **NO REFUNDS or TRANSFERS**. The only time that we will transfer funds will be if we, the Partnership, cancel the class.
- ❖ If you come to the training more than 10 minutes late you will **NOT** be allowed to attend the training and **NO REFUNDS or TRANSFERS** will be given.
- ❖ Please do **NOT** have young children sitting with you while in the training. It is **NOT** developmentally appropriate to have them sit for several hours.
- ❖ Please be respectful of the presenter and your classmates and put your cell phones on silent. If you have to take a phone call, please step away from your computer no side-bars when the presenter is speaking.
- ❖ Please **DO NOT** show-up for a training that you didn't register and pay for. You will **NOT** receive a training certificate or materials.

Cancellation policy: No refunds or transfers.

Emergency Preparedness & Response

The new Emergency Preparedness and Response (EPR) in Child Care Training provides early educators with information and tools to prepare for many types of emergencies. The EPR in Child Care Training addresses new NC Child Care Rules on emergency preparedness, current best practices, as well as recommendations, and guidance on completing the online EPR Plan. The EPR Plan template can be found on the North Carolina Emergency Management website. The training is presented in two two-hour sessions and includes a one-hour site assignment. NC Child Care Rules 10A NCAC 09 .0607 (b) and 10A NCAC 09 .01705 (b) (6) require that a designated individual from each licensed center and family child care home complete the training and submit a facility EPR Plan.

Preventing Challengers Behaviors: An Ounce of Preventing is Worth A Pound of Cure

The environment a teacher creates paired with her knowledge of the children in her/his care can prevent many challenging behaviors in young children. Teachers who create positive social environments find that children more easily develop the social emotional skills they need to succeed. This session focuses on modifications teachers make in six key areas of the environment that will prevent and reduce conflict that leads to challenging behaviors.

Developmentally Appropriate Practices in Pre-School

This training will highlight the practices outlined in the book titled “Developmentally Appropriate Practices in Early Childhood Programs, 3rd Edition” and is aligned with the “North Carolina Foundations for Early Learning and Development”. We will explore what is developmentally appropriate practice with an emphasis on the preschool years. We will determine what a developmentally appropriate pre-school classroom looks like. Finally, we will conclude the training with discussion on what an excellent teacher means as it is described within the book. This training will be most in depth will challenge preschool teachers to look at their current practices and determine if they are appropriate. It will also allow time for open discussion and sharing of ideas that do fit the appropriate practice criteria.

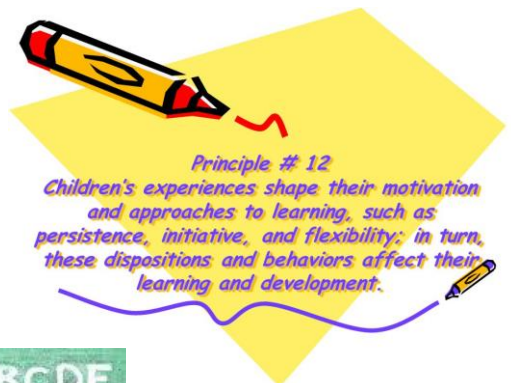

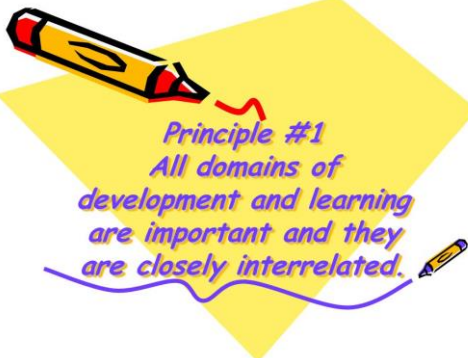

**Trainer: Takisha R Jones, Family & Consumer Science Teacher &

Self-Care & Stress Management

Often times as professionals, when we think of self-care and stress management we think about taking days off and saying no, but it is much more.

Self-Care is any activity that preserves or improves your health. Stress Management consists of a wide spectrum of techniques aimed at controlling stress levels, usually for the purpose of improving everyday functioning. Engaging in Self-Care and Stress Management activities regularly helps you deal with the ins and outs of work regardless of how stressful the job.
